## DF10 Non-Organic Agricultural Ingredient Derogation

### Reason for Use:

Application for approval to use a Non-Organic Agricultural Ingredient

### Conditions:

#### Approval must be granted before Non-Organic Ingredients are purchased

One sheet must be completed for each Non-Organic Ingredient.

Derogations can only be requested if an organic version of the ingredient is not commercially available

Derogations must be - for single ingredients; ingredients that do not contain additives or processing aids not listed in EU889(2008)AnnexVIII; ingredients that are not GMO or irradiated

Completed form(s) must be sent to QWFC, who will then forward the request onto DEFRA for consideration. QWFC may request further information before a decision can be made.
